Objektbeschreibung

A Residence of Exceptional Elegance – Luxury Redefined in the Heart of Vienna’s 1st District.

Situated in one of Vienna’s most prestigious addresses, directly opposite the iconic Volkstheater, this extraordinary luxury residence represents the perfect fusion of historic grandeur and contemporary high-end living. Surrounded by fine dining, exclusive boutiques, and the cultural highlights of the city center, this property offers a lifestyle reserved for only a select few.

Located on the elegant Beletage of a magnificent Viennese Altbau building, this exceptional residence spans approximately 206 m² of luxurious living space and is currently undergoing a comprehensive high-end renovation using only the finest materials and craftsmanship. Completion is scheduled within the next three months, while the property is already available for private viewings — a rare opportunity to acquire a luxury residence during its transformation process.

From the moment you enter, the apartment impresses with its remarkable sense of scale and timeless elegance. Ceiling heights of approximately 3.70 to 3.90 meters, refined period architecture, and an ideal south-facing orientation create an atmosphere flooded with natural light and sophisticated grandeur.

Every detail of this residence has been designed without compromise. Bespoke joinery, exquisite natural stone surfaces, and a carefully curated interior concept create a living experience defined by exclusivity and refined aesthetics. The custom-designed natural stone kitchen becomes the architectural centerpiece of the home, seamlessly combining exceptional design with premium functionality.

An integrated KNX smart home system ensures the highest level of comfort, allowing intuitive control of lighting, shading, and climate throughout the residence.

In collaboration with the Wiener Altbaumanufaktur, future owners also have the unique opportunity to actively participate in the final interior selections and personalize the finishing details — creating a truly one-of-a-kind residence tailored to their individual vision.
