Objektbeschreibung

This unique **penthouse maisonette apartment** is situated in a beautiful setting in St. Lorenz, Upper Austria, just around **a 10-minute walk from the shores of Lake Mondsee**. From the approximately **17 m² terrace** and the living area, you can enjoy wonderful views across the lake, the surrounding mountains and the lush green landscape. It is no coincidence that the famous **Austrian Romantic Road** passes close to the village.

With a total floor area of approximately **172 m²**, the property offers everything you need to relax and enjoy quality time with family and friends. A combination of an open-plan living concept and three private rooms creates a unique atmosphere, enhanced by a **traditional tiled stove**, an **open fireplace** and an elegant **gallery**. The cosy character of the property is further accentuated by the **exposed wooden beams** in the living area.

Thanks to the large windows, the entire living space is wonderfully bright and opens onto the surrounding greenery. An additional **balcony** is also available. Conveniently located next to the kitchen, the **storage room** also features a **safe** for your valuables.

A particular highlight of the property is the **shared use of a sauna**. The Schwarzindien lakeside bathing area and two yacht clubs are located directly on **your own stretch of the lakeshore**.

The private grounds offer several **parking spaces** as well as **shared use of the garden**.

In addition to the two fireplaces, the property can be heated using **cost-effective night-storage heaters**.

The property benefits from the very rare **leisure/tourism residential designation** (similar to a second home), meaning that **registration as a primary residence is not required**.
