Objektbeschreibung

This fantastic newly built property has a view of **Lake Mondsee**, a **private bathing area**, **three terraces and two gardens**. The location in the Salzkammergut with its impressive panoramas, right on the border between Salzburg and Upper Austria, is unparalleled.

Architecture and planning of this house are timelessly modern and spacious; the high-quality equipment leaves nothing to be desired. The clever room layout on **three floors** offers plenty of space and comfort for the whole family. The total of **approx. 227m² of living space** is divided into **six rooms, two bathrooms and several storages, closets and cloakrooms**. The house is in the final stages of completion and is ready to move into at any time. From the terraces on the upper floor you can enjoy the view of the Mondsee, the mountains, meadows and forests.

The use of high-quality materials and the solid construction make this property a first-class new building. The **full thermal protection** and the **triple-glazed windows** ensure low operating costs. Windows, doors and gates come from **Internorm, Josko and Hörmann**. A **private in-house elevator** takes you comfortably to all three floors of the house; a **single garage and another parking lot** on the property offer space for several vehicles.

In addition to all these outstanding features, the absolute highlight is the sensational **private bathing area opposite the property**. A **buoy place for your own boat** is also included.

Other features include empty **pipings for installing a photovoltaic system, exhaust air duct for a mobile air conditioner** from the top floor over the roof, **shading by external venetian blinds, awnings and underfloor heating or cooling** as well as an air heat pump for pleasant and inexpensive heat.

The property is located in Schafing am Mondsee (Upper Austria), from where you can quickly reach Salzburg, Lake Attersee, Lake Wolfgang and other popular surrounding locations. The region is famous for its spectacular nature and numerous leisure activities, from golf to water sports and every imaginable mountain sport.
