Objektbeschreibung

A rare and unique residence with a fantastic view and a wonderful location directly on the New Danube (Neue Donau).

The 3-room apartment for sale is located on the 17th floor of the 110-metre-high Mischek Tower, designed by the famous architect couple Delugan-Meissl, and offers an incomparable living experience with panoramic views.

Its location alone is incomparable. Situated in the immediate vicinity of the New Danube and the Danube Park, its south-west orientation offers spectacular, unobstructed panoramic views of the Kahlenberg and Leopoldsberg, the UNO City, the Danube and the centre of the federal capital with the Giant Ferris Wheel and St. Stephen's Cathedral.
